Re: **United States v. Robert Mines**
08 Cr. 216 (LAP)

Dear Judge Preska:

I write, in the above captioned case, to request a modification of Mr. Mines' bail conditions. Mr. Mines' bail conditions had originally been set as follows: a \$100,000 personal recognizance bond, cosigned by two financially responsible persons with strict pretrial services and drug testing and treatment. Mr. Mines was also subject to home detention and electronic monitoring.

At this time, I ask that the bail conditions be modified from "home detention with electronic monitoring" to "curfew with electronic monitoring, with hours to be determined by pretrial services." I have spoken with Pre-trial Services Officer Franco Furelli, and AUSA Rebecca Rohr, and they both consent to this modification.

SO ORDERED

Loretta A. Preska
